

# Affari

## Features

- Affari is the unsuspecting hero. With a conservative design, but extra ordinary comfort.
- Available in chrome or powder coat cantilever frames. Other versions of the chair swivel, and four leg are available on indent.
- A supportive mesh back is complimented by a thick foam cushion, to allow for extended seating periods in meeting and conference environments.
- And a bonus, the Affari Cantilever frames are conveniently stackable for large installations and storage flexibility.

## Appropriate Use

The Affari will adapt to many different seating environments. Affari Cantilever are excellent for visitor seating, and make for excellent space savers due to their stackability.

Available in Chrome  
or Powder coat frames.
