Environmental Accreditations

Fibre Source

This paper is FSC® certified, which is your guarantee that it is sourced from environmentally appropriate, socially beneficial, and economically viable managed forests.

Certified Carbon Neutral

This product is carbon neutral certified. This means that the unavoidable GHG emissions associated with the lifecycle of this product have been offset through the purchase of verified carbon credits. For full details of the NOCO2 Program, and CNP trademark visit noco2.com.au

Recyclable

Wrapper made from recyclable and biodegradable (EN13432) paper. Can be recycled with normal paper waste with no extra treatment. Please recycle!

Responsible Fibre™

Responsible Fibre™ by UPM ensures the product complies with the industry's most demanding responsibility criteria. Responsible Fibre™ assures that:

- Paper is produced responsibly
- Fibre comes from sustainably managed forests
- Biodiversity and wildlife are respected in forestry operations
- People and surrounding communities are treated responsibly

Management Systems

ISO 9001 Quality Management System
 ISO 14001 Environmental Management System
 ISO 50001 Energy Management System
 ISO 45001 Occupational Health and Safety System
 EMAS Eco-Management and Audit Scheme
