FEATURES & BENEFITS

Date: October 2024

EASY GLIDE RUNNERS

European-designed full extension steel drawer runners with a total drawer weight rating of 45kgs (including the drawer). Guided by 2 ball cages for easy glide operation. The drawer can be easily detached from the central runner rail. Limited lifetime warranty.

EASY CLEANING

Our products are easy to clean with no absorbent surfaces exposed.

ALUMINIUM DRAWERS & FRAME

Through the use of our break-through anodised aluminium design for drawers and frames, we protect against corrosion and scratching while providing a highly durable surface which is recyclable. Unlike many other products, aluminium can be recycled indefinitely due to its high intrinsic value.

CABINET CONSTRUCTION

our cabinets are made from low-pressure melamine with the worktop surfaces & shelves made from high-pressure melamine.

DESIGN QUALITY

Tasman Trolleys are designed and built using quality materials. We use ethically sourced aluminium.

Optional Accessories

Coloured drawer fronts & coloured cabinet sides

Hand sanitiser

Warranty

Parts and labour 5 years
