

**Description:** Static Spill Kit - Oil Only

**Product Code:** 13-1006

## Static Spill Kit - Oil Only

### Product Features

If there is a risk of oil or another hydrocarbon spilling into a nearby waterway, having the ability to quickly respond is critical.

This kit will selectively absorb up to 50 litres of hydrocarbons, without taking in a drop of water – making it invaluable for lifting an oil spill off water.

Refill kit: 13-1006R

- For oils, fuel, solvents - not water
- Absorbs up to 50L per kit
- Clear tub
